BURGUS VITAE

AZIENDA AGRICOLA • FAMIGLIA TIBERIO

The name Burgus Vitae combines two Latin terms:

"Burgus", meaning village – a protected, intimate place;

"Vitae", meaning life – the energy that animates both the earth and human experience.

Core Values

- **Authenticity** - All raw materials come exclusively from the estate, with full internal processing.
- **Sustainability** - Integrated, low-impact farming practices that respect biodiversity and soil health.
- **Aesthetic care** - Attention to design, packaging, and custom product lines for select partners.
- **Family & Territory** - Each decision is rooted in a deep connection with Abruzzo's land and traditions.
